“ *A great one has left us but, in the blinking of an eye, he will meet again with loved ones in God's Kingdom. We knew Tom back in the days of Ambassador College Press in Pasadena and enjoyed time with him then and with Thelma when they visited The Northeast Church of God in the 90's. Our condolences to the Justus family at their loss but what great memories we all have about Tom.

“ *We had the pleasure of attending church with Tom for many years. We witnessed him selflessly taking care of his wife Thelma when she became ill. We have seen him, countless times over, give to any person that came in to our church for help. Tom had such a giving spirit, a loving heart toward each and every person that he ever came in contact with. He was so willing to share of all that he had. He truly enjoyed church, the people, the fellowship. Even when he was ill or not feeling well, tired, etc. he was still cheerful and upbeat. He said many times over that he looked forward to coming and meeting with our little group. He was a huge participant in our Bible Study and we will greatly miss his spiritual and intellectual input. We loved him dearly. Continued thoughts and prayers for all of his family. We pray that you will be surrounded by God's love and grace and especially peace during this time. We will miss him so very much.*

“ *Tom and his late wife, Thelma has meant so much to my late Dad, Charles Hartley and our family and the Springdale church! He was a great speaker and a very kind friend! Our little church in Springdale would have been lost without Tom and his loving group that joined us in services many years ago! I am so thankful for our churches combining! We have a very close group there that Tom told us many times how much he looked forward to the Sabbath Day to worship with his church family! He will be greatly missed! Condolences to his family! Tom was a true blessing! We eagerly await that time when we will see Tom again in God's Kingdom! And I know he hopes that each one of us will be with him again at that time! Sincerely, Jeanie and Clarence Ullrich*

“ Nate and I are so sorry to hear this sad news. Nate has many memories of the times when he ran the printing press for WCG in Pasadena, and also attending Imperial School with his children. He was so kind and gentle, a loving minister. My sister & I appreciated the time that Tom Justus allowed us to use his Springdale church building for the memorial of our brother, Wade. He also spoke at the service for us & his message was one of the best I have ever heard at a memorial. Both he & his wife were so kind to us that difficult day. We look forward to seeing him again in God's kingdom.

“Mr Tom” as he was affectionately referred to by my wife and I , and his departed wife, Thelma, were the single greatest influence in our lives . When we came into the church back in the 80's they took us under their wings and became our life mentors and like second parents to us. We cherish the many times and hours spent with them reliving the events of the church early days and the many accounts and stories about it. We take comfort in knowing there is a very special place for them in the soon coming "Wonderful World Tomorrow" and look forward to being with them again. Love and comfort to son Mike, daughters, Terri and Judy and their families. Bill & Eva.

“ Pastor Justus was a generous and kindhearted individual. He was also very progressive in his thinking and religious views. I will miss him, and his stories about his experiences as part of the Church of God culture.
