Carolyn was such a sweet and wonderful lady, she made me smile everyone I saw her. She was a strong person to go thru what she had gone health wise for the past years, many people would had given up, but not Carolyn she was a fighter. She loved her family more than any person I think I have ever met. Carolyn is not in pain anymore and she is now reunited with her husband and other loved ones she lost asking the way and they will now and always be together. God bless.
