Although I didnt know Gary as well as most, what i did know , from spending time with his parents, was what a loving son he was.He was always there when they needed him. He was the same with his friends, too , whether you were stuck on an icy hill or needed a lift , he stopped what he was doing to help, never expecting anything in return. I had the pleasure of seeing Gary interact with his grandchildren at his fathers funeral and i can honestly say that i've never seen a father or grandfather that loved his children and grandkids more than Gary did. As a mother myself, I know the special bond a son has with his mother and ilpray that Mrs. Langham will cherish the memories and know just how much she meant to her son, Gary. My thoughts and prayers go out to his family, sisters, cousins, nieces and nephews. i know you'll miss him, There are far too few left in this world like him.

I had the pleasure of working with Gary on several projects in NW Arkansas. He was always a professional and always greeted me with a smile and a handshake. He never failed to mention his family and how much he loved an enjoyed them all. My prayers are with the Langham family and ask the good Lord to comfort and be with you at this time.
