“ Susan, Jeanne, and Joe,
Heard of the passing of David today. Thoughts and prayers for you and your family. Susan, you and David made the Wooldridge family move to Camden so comfortable in 1972. Thank you so much. Working with David, coaching the Camden Panthers, were some of the best years of my life. May God bless you and your family. Love,
Larry Wooldridge

“ Words can't express what "Coach Bryant" meant to Mark during his days as a Camden Panther. Then years later when David had the store he became a good friend to us all. Mark and David shared many turkey hunting experiences. Each one trying to out do the other one! We missed you both when you moved, but we are so thankful for the many happy years you all shared with your kids and grands close by. Our deepest sympathy to all Coach's beloved family. “ Susan, my heart goes out to all who loved him. I recently watched the video at Scotty and Cathey’s where you were celebrating Christmas. You’ve taken such care to make him safe. I’m glad he had you by his side. Know that I am sending love and prayers. Sandy

“ I have lots of memories of our years in Camden. We had a wonderful group of friends and always had a good time. To the young people today, our lives were probably boring but, we had fun, therefore, the wonderful memories.

God bless all of you and we can be thankful that David is now in a better place.
