“ Jerry and I were good friends and both of us found the Lord about the same time. We were in CBMC together and both flew small planes. I regret that I didn't know of his passing but take consolation in knowing that he is with the Lord. He always talked about his daughter and how proud he was of her. I'm glad he got to move closer to her in his final years. Fred Bills

“ I fondly remember Jerry. He was a very interesting and special person who was not afraid to tell me what was on his mind, which I enjoyed. I learned a lot from Jerry. He was smart, hard working, very much an achiever and always treated me with respect. He was very proud of his daughter and was not afraid of telling me of her achievements. I will miss him, a true patriot.

“ Kristy,Justin,Stevens,and Stiles,
We were so sorry to read in the paper that Jerry passed away on his birthday. Burdean called him and there was no answer so we were kind of concerned. Burdean and Jerry went into the Navy together in 1956 and had remained friends over the years, We extend our most sincere sympathy to your family. He was so proud of his grandsons and had talked to Burdean about them about six weeks ago. He will be greatly missed.
Peace and Friendship,
