“ Joan and I have been friends since our school years, I went home with her to spend the night and she pierced my ears with a needle and thread, we've laughed about that almost every time we saw each other, she was one of the best friends I ever had, We talked not long ago and laughed over things that had happened in our life and we also was sad over the loss of our children. I will miss her laughter and her calls. May God comfort each of you and help you through this great loss. I loved her so much. Clarence, my heart goes out to you, I know she loved you so much and had a happy life with you.

“ Jo Anne was a very talented woman. Her creativity and sewing skills were top notched. And boy, could she whip up a good meal. Her smile and that endearing look will be sorely missed. Here is a couple of pictures that show her creativity, talent, skill and knowledge. Her dolls. Loved by many.
