“ Melinda Barron lit a candle in memory of Michael K Fisher

“ It is with deep regret that I can not able to attend tonight's viewing. I've know Mike for over 30 years, we have a beautiful daughter together. Michael Kever Fisher was truly a great man, he gave me the most precious gift I have ever received, he gave me my daughter. He gave me a string of Pearl's for my first mothers day. I still have them to this day. He was always generous to a fault, and always spoke well if me to others. For that I owe him many thanks. He was quick to laugh and had that funny grin when he was doing something he shouldn't. I cant remember a time that we didnt hug each other even if he was married to someone else. I've always respected Mike for his honesty. We didn't always agree, but did always work it out. I'm sorry I didnt know he was so sick. He will be missed...
