“ We are so blessed to have had Miss Alice as a friend. She was a blessing to all who knew her. We know how happy she was to finally meet her Savior, Jesus, face to face and hear "Welcome home, my good and faithful servant". She was indeed that, good and faithful. She will be missed, but we are happy she is painfree, now has eyesight, and finally home.

“ Aunt Alyce was/is like a special gift to the whole family?to her church family & community, too. She will be missed, appreciated, and celebrated for a long, long time. I?m sure we could all wear out a couple of keyboards telling our favorite stories. I imagine she had some other folks she needed and wanted to go check on.

“ I am very blessed to have had such a wonderful aunt. She was a real inspiration and a model of Christian life. Her love of family and family history was very heartwarming and a source of comfort and sense of security when my parents died. She regularly called to check on me and I will really miss her visits...until we meet again.
