“ Even though I never got to meet Andy, I feel I know him through his precious Mother, Miss Evelyn, as well as his loving sister, Robin. One thing I know. Andy was loved by so many; friends, family, and most of all by my Lord and Saviour, Jesus Christ. To Miss Evelyn, Robin, and family- prayers for comfort and peace. Love and hugs for your great loss. I'm so glad I was able to witness the last part of his life on this earth through your posts and updates. I can't wait to meet Andy in heaven.

“ Andy was such a sweet and funny guy. When my family moved to Harrison, Andy came to knock on my door to befriend me and really helped me settle in with lots of introductions and invites. That "boy" always had a wide smile, it seemed. I'm so thankful he had his family with him at the end of this journey. It's good to know he was surrounded and embraced by so much love. Cheers, buddy. Save me a spot up there.

“ Knowing Andy since we were toddlers means I have lots of fun memories and stories but I was probably sworn to secrecy for most of them! A very special adult memory is when our kids trick or treated in Skyline Terrace together one year. I will treasure that memory forever. What a sweet soul that will be truly missed. You are all in my thoughts and prayers. Love, Lisa Cavender

“ *I would like to share my thoughts and prayers to Andy's family. Andy was a few years older than me but we all grew up at the Daisy Queen. Tony and my brother Tony were always getting into something. My family is the Carlton's. The Clarks are truly good people, helping anyone they could. May God wrap his arms around the family during this time and give them peace and comfort. Christy Moore.*

“ Dear Evelyn,
So sorry to hear about Andy. I will always remember wrestling with him in the Acolyte cloak room at St. John's, rodeos at Johnson Brothers, being in school with him and working with with him for several years. He was always ready to laugh. Please know our thoughts and prayers are with you from Dad and our whole family.
