

Andrew Allan Fulwider

July 3, 1984 - January 18, 2021

Andrew Allen Fulwider, 36, of Springdale, Arkansas, passed away on Monday, January 18th, 2021. He was born Tuesday, July 3rd, 1984, in Cedar Rapids, Iowa.

Andrew went to school at Lifestyles College for Living and enjoyed his summers with friends at Camp Barnabas. He graduated from Springdale High school in 2003. He loved hot cars, silly socks that went all the way to his knees, even with shorts, and had great respect and admiration for the police force. Andrew was an artist and a caretaker of animals and children. He had a joyful personality that could never be abated by the worst of circumstance or bodily illness.

Andrew was a well-traveled guy that was known all across Northwest Arkansas as a cheerful and kind man with a wink and a crooked smile that people would instantly connect with. He would be remembered and flagged down by folks around town to catch up even decades after their last interaction.

Andrew was an athlete that loved to bowl, go for long walks on vacation, ride his bike, and he competed for many years in the Special Olympics, medaling in the softball throw, the tennis ball throw, and the 50-yard dash.

The joy that Andrew brought into all of our lives and the light that he spread with his unending ability to bring an innocent giggle into any conversation or awkward moment will continue to be felt for generations as we keep him in our hearts and share his memories.

Andrew is survived by his parents, Jon Steven Fulwider and Terry Lynn Ponomar, his sister Angela Noelle Jackson, his brother Aaron Patrick Fulwider, his brother Brad Jackson, his Aunt Sandy Elizabeth Ponomar, his cousins Summer Bird Ponomar, Zoe Clara Rose Fu Shou Keller, Fu-Xin Theodore Bruce Keller, his uncle Kyle Ralph Ponomar, his aunt Joanne Marie Ponomar, his cousins Dillan Lee Ponomar and Amber Leah Laodice, and the many foster children that he cared for over the years with his aunt and mother.

“ Andrew was my Bud. He came into classes with happy energy, vigor and often, a “snappy” greeting. He was always attentive and cooperative. Occasionally, he would send me these handwritten letters that were a real “hoot” to read/decipher. I always enjoyed his presence. We got along very well. His passing brings sadness- sure. But his memory brings happiness - so glad i got to be his friend. He was a very special guy. Sending love to his family and Life Styles friends.

“ Andrew was always quick with a smile or a hug every time we'd meet! No matter the circumstance, he always radiated positive energy.
