“ *We as in-laws on Steven's side called Anita ,Janean. We loved her dearly and miss her smiling face and laughter. She always had something good or funny to say just about anything. We most generally met her and Steven in Branson when we were down there and she took us to her favorite Thai Restaurant. Whenever we go that way again, we will revisit it in memory of her and her jovial personality. God has taken a little of our hearts but the healing will be done in His time. God bless her family and please know that we loved her too and share in your loss.*

“ Our sincerest condolences to you and your family. We wanted to share a scripture that brought us comfort when we our brother and father both died. It's found at Revelation chapter 21: 3,4 it reads, "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Please know that others care and we pray that God may grant you strength in the days ahead.
