“ *Dear Lester and Family,
On behalf of Anna's Spur High School Class of 1961, we express our sincere condolences for your loss. We knew her as Anna Bob all through our school years.
She was always the smartest (valedictorian , of course) and active in all activities. She was so vibrant and such a joy to be around. When we had our 50th H.S. Reunion, she was the first volunteer , along with Les, to help with building the float and helping with the dinner. We all loved her and it is our great loss, too. She spoke so lovingly of all of you. Our thoughts and prayers are with you.*
