“ *It would take me a lifetime to write down all of my favorite memories with you grandma, but I have to mention a couple that put a smile on my face right now. The many nights we talked about and went looking for hidden treasures with "The Dowsing Rod". All the summers we went "Junking" and how mad Gale would be when we came back with "Just Junk", LOL Grandma. We would endlessly look for bottles and whatever else caught our eye.*

You were always full of excitement and so funny to me, you always had "the news" on anybody and everybody "Don't Cha Know".

I want take this time to apologize for me and dad shooting firecrackers at your goats I know that made you soooo mad.....sorry.

Always felt like you understood me no matter what, and had no problem telling me so! For these reasons and many more is why I will miss you so. I feel that even though you have left this earth, my memories with you will live on forever in my heart.....

I LOVE YOU GRANDMA

Love Levi

“ *My Dearest Arlene, You never knew how much you meant to me and how much you influenced my life. At the young age of 17, you taught me so much, which helped me to become the woman I am today. You were the perfect example of who I wanted to become, loving, full of life, funny, smart, a great cook, a real go getter, I could go on and on. Just to be half the woman you were would be a blessing. You meant the world to me and I know you are in Heaven with Mom and Dad. I see all of you dancing to Dad playing the organ, drinking a beer and having a ball!!! May you Rest in Peace. When my time comes, I hope you will meet me at the Pearly Gates. You are in my heart always, Love Chris*
