“ Audrey was a fun gal to work with in the 70's at the Springdale Library. I am glad to have known her and enjoy her sense of humor.

“ Audrey was a wonderful person. She would tell me lots of stories about her family in the old days. I enjoyed listening to her. I enjoyed giving her Perms in her hair for the last three years. She will always be remembered by me. She had lots of wit about her, that really made her a unique person. I will miss you dearly! Your family will miss you too! Love Betty Walker

“ It was an honor to have known such a beautiful soul. Audrey was such a sweet, loving mother and grandmother. She brought so many smiles and laughs to her family and friends and was such an inspiration to us all. Sending my prayers to the Springston Family.

“ When I was little my Dad would pick me and my sister, Sharon, up and we would go on our vacation to Springdale. That was my favorite thing every year! I remember so many things about Aunt Audrey and they all bring a smile to my face. We would have so much fun at her house. I will always remember my special times with my Aunt Audrey! I would do something wrong and she would just say "you little tiny stinker" and laugh. I never got into trouble. She will be missed. I loved her alot!
