“ *To Ava's dear family.
I have known you for just a short time, but I know just how much you loved Ava and was always there for her. I know you will always cherish those times spent with her and from her precious smile the day she went to be with her Lord, I know she felt much love and peace. I am glad that I got the chance to know you all if only for a short time. I'm also sending thoughts and prayers from Miss Velma and Miss Donna. I wish all of you love and much peace.
God Bless,
