So sorry for your loss. I have so many good memories of time spent with your family. Both your mom and dad always treated me like one of their own. Thinking of you during this time.*

“ *Carol & David,
Oh My God! I can't believe she is gone. I have thought about her so many times since Jack died. I had no idea she was ill. If I can do anything for you, please feel free to call me or email me. She was my other "mom". I loved her and she will be missed. God be with you during this painful time.*
