“ *Deb and Steve, Elysia, Madeleine, Uncle Richard, David,*

My deepest sympathies during this very difficult time. I can't imagine the weight that you bear right now. But please let me say this, I believe Aunt Barbara is free in every way, and at peace with the Lord. I pray that in time, the hurt will be less.

I remember the times when the "Bronner" side was together. There was great joy in being together. I remember Aunt Barbara was a leader in the family. I'm grateful for her love for her family, and for her kindness.

Thinking of you in this difficult time.

John 14:1-2 "Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you"?

Julie (Lubke) and Ben Sigmund
