“ For many months I've sat by Barbara in church and enjoyed many conversations. Sharing memories and thoughts in the few moments before church was always a blessing. Knowing that I will see her in Heaven is a blessing and comfort in her passing. I always looked forward to seeing her and talking with her. My sympathy to her husband and children in this time. It's not easy losing a your mate and mother. My prayers and condolences are with her survivors. I counted her a friend and a sister in Christ. God bless each one as they mourn her passing.

“ *My favorite thing about my Aunt Barbara was she never claimed or tried to be as elegant and classy of a woman as she really was - that was just her elegant, classy and beautiful - she didnt have to try - she was just a natural! I loved her soft spoken voice and every time she seen me she complimented me on my fashion and beauty and told me she loved me. I love you "B".*
