“ *I always stopped by Hash's Kitchen to eat lunch in the years I worked in Springdale. Ms. Hash always greeted all she served with a smile...her eyes Sparkled with such love. Her food and desserts reminded us of our grandmothers cooking. And she always fixed deviled eggs for the men and women who liked eating them. Not just on special occasions...but everyday. She decorated her kitchen like I do mine. In Apples.*

*In fact, I gave her some of my apple decor when I downsized from a house to an apartment. She was like a kid opening a present. She was a joy and a good friend. My sympathies to her family and friends.*

*We will miss you Ms. Hash!!!*

“ my husband and I used to attend lots of auctions. Mrs Hash was a very familiar and friendly face and also served good sandwiches and hot coffee and hot cocoa in the winter months. I know she will be sorely missed. May God give you all His comfort and only He can.

“ Mrs. Hash worked all the auctions for Eddy Layne and other auctioneers in the area. My wife loved antiques so I had an opportunity to eat a lot of her food over the years. She was very kind and her food was always wonderful. Plain good home cooking! made with lots of love.
