“ *DJ and Doug,
I was so saddened to learn of your mom's passing. I remember so many good times and discussions of faith and God. She was truly a woman of faith. I saw her at the campground in West Siloam a few years ago and she was truly happy, Proud of you both and loving the grandkids. My love and prayers to you both. Mary Gunter*

“ *Barb was a wonderful boss. I loved laughing with her and teasing her about mice (her fear).*

David and I sent our love and deepest sympathies to all the family she loved and cared for deeply. Words do little to express the current sadness. We send you hugs to ease the grief, our love to sooth your heartache, and know your faith will see you through.

Love to all,

David and Kathy Keen

“ *What a wonderful loving lady to know. If you didn't get to meet her, you lost big. This women had a smile that welcomed you with open arms. Our family got to know her and instantly we felt a part of her family. Although she has moved to another place that we all hope to get to, just know that the angels are singing welcome home my child.*

This lady loved her grand children to the fullest and she was a awesome Nana to them.

May she rest in peace and may her family find strength to move forward during this very hard time. Our prayers are with you all. We love you Doug, DJ and Jim and family.

Love the Malone Family.

P.S. If you all need anything, please let us know.

Green was Barb's favorite color, so it is only fitting to have a green candle lit in memory of her. My heart goes out to the family in this time of grieving. Each one of you are in my prayers. Barbara was a walking angel on Earth. Always trying to take care of everyone and giving endless love to everyone. She earned her wings and continues to watch over every one from heaven above.
