“ *Dear Glasser Family,
I wanted to express my condolences to your entire family. Mrs. Glasser was a very kind, special lady and will be missed greatly. Even though many years have passed since I have spoken with her I have many fond memories of the days past knowing her. Your family is in my thoughts and prayers.

“ *I just now found the news of your loss. I'm moved to tears with the shock. I had not thought of your family for many years, yet late in February the Spirit brought you to mind and into my prayers. May our Lord bring you peace in the sure hope of our heavenly reunion. Grace and peace to you all.*

“ *Aunt Bernie was my first teacher in school as she was my kindergarten teacher. I learned a lot from her and I can remember her voice so gentle reprimanding but so sweetly. In fact, I always felt bad if I disappointed her. Years later, I was able to visit with you all when I attended JBU. You both had a great impact in my life and I am so glad that someday I will be able to see her again in heaven. Love to you all!!!!*

“ Dear John and family,
We were so sorry to hear of Bernie's sudden passing. She was and is a special lady. I (Linda) loved and admired her for her compassion and great heart. She understood our struggle in regard to our daughter's tremendous spiritual warfare. Heaven is even sweeter now, since she has joined the forever family in heaven. Please know that our prayers for your comfort are with you at this time.

With our love,
Bob and Linda Schmitz
