“ Uncle Eldon, I'm so sorry that you have had to go through these trying times. Like My Mom said I hope that all your memories will help to carry you through. I made a comment on my FB page about how Betty dropped everything and took my daughter some medicaton when she was up there on a visatation with her Father. I will always remember that and also how she requested a tape of me singing because she enjoyed listening to me. And I too remmeber how wonderful a cook she was. I won't be able to travel to Arkansas for her funeral, but know that my thoughts and prayers are with you!

“ Eldon and family - our thoughts and prayers are with all of you as you go through these difficult days. We know the wonderful memories all of you have of Betty will carry you through. We enjoyed all the times we spent with her and Eldon and will cherish them always. Betty was one great cook for sure - among other talents - but so remember how quick she could put together a pie - "melt in your mouth delicious"!!!
