“ *Memories and hearts full of love is the legacy you have left for us. I pray that they sustain us until we all see each other again. Thanks for for giving us such a wonder family to share. You have given us such joy. And you have given me a wonderful father. Rest easy and know that we will love your forever. You are not gone from our hearts only this earth and you will live on within us forever. Hug Popsi for me. Love you and miss you.*

“ *The Keeper of Memories (for Bill)* ”

*The Lord reached down and took my hand  
I could hear the sound of the angel's band  
I simply rose up into the sky  
Never enough time to say goodbye*

*Jesus said, "come walk with me"  
Ah, what a sight my eyes did see  
The beauties that behold me no words can describe  
Jesus, family and friends are walking by my side*

*My body was frail and oh so weak  
The last few days have been so bleak  
But now is the time for you all to rejoice  
Please don't be sad, just raise up your voice*

*Sing to the Lord in the Heavens above  
I'm singing and shouting with all my love  
I'm now happy and no more pain  
My riches in Heaven I have now gained.*

*Peace is what the Lord will give you  
Just pray each day and he'll see you through  
I'll be watching over you day and night  
You won't be far from my loving site*

*Bill my darling, you are my son  
So proud of you for the things you've done  
Always know I'm near to your heart  
You are the keeper of memories, our spirits will never part.

“ This picture of her is so precious! Praying for Meme's family for comfort and peace of mind. We know you will miss her so much. Meme still sends her love to you all from Heaven. You can blow kisses right back to her. May God heal your hurting hearts and turn them into store houses of love and found memories of Meme. We love y'all.

“ *I feel so blessed to have known Betty. She was a special lady and I loved her dearly. I will miss her smiles and hugs. Although here on earth she danced her little jig as she took her walks and jogs on asphalt pavement, she now gets to dance those little jigs on streets made of gold. God bless her family and give them peace.*

“ *Her Journey's Just Begun*

*Don't think of her as gone away  
her journey's just begun  
life holds so many facets  
this earth is only one.  
Just think of her as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days or years.  
Think how she must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away. And think of her as living  
in the hearts of those she touched  
for nothing loved is ever lost  
and she was loved so much.*

“ *Was sorry to know of Betty's passing, but I will always remember her sense of humor and her direct way of dealing with life. I enjoyed the "garage sale" times when she & James would be with us. A lovely person to have known, I know she will be greatly missed. Sonja Swankier, Spring Valley, MN.*
