“ *Carolyn, was so sorry to learn in today's paper of your mom's passing. You sent such a beautiful flower arrangement when my mom passed 15 years ago, even though we only mainly knew each other through a mutual friend. That was such a sweet gesture. Instead of flowers I noticed memorials could be made to Circle of Life, which is a really special place in time of need, so I gave a gift to them in your mom's memory. My prayers and thoughts will be with you. Lori (Tonne) King*
