“ *I first met Ms. Betty in the 1980's at her home in Springdale at the time. She was extremely kind and inviting and made me feel like she already knew me. She was also very clever and witty in mind and could always make you laugh. There are so many wonderful things to say and remember about Ms. Betty, but the one thing that will remain with me always is her wonderful smile. She was smiling when I first walked through her doors in the 80's and she was smiling the last time I saw her in the present. She will forever be remembered and close in heart. Michelle Lunn*
