“ *Don, Tom and Family,
We are so sorry for the loss of your Mom. Betty was a great lady who lived a long life full of wonderful memories. She raised three awesome sons, of whom she was very proud. I know nothing would have please her more than to have held her soon to be great grand child. There will be a void, as you well know having already lost your Dad. We pray you are able to fill that void with the many memories of the years you had together.
God Bless You All
