“ *Billie's family:*

*I am saddened at the loss of your loved one. Billie was a special person in her abilities, her caring soul, and her joyful personality. Having known her through the writers' club for many years, I feel privileged to have enjoyed her poetry and other writings. She will be missed.*

“ *"Aunt Billie and I shared a lot in life; our birthplace, [Wilburton] our June birthdays, [22nd & 24th], our love for our children, and of course, our love of writing. I learned a lot about life from her; decency, loyalty, faith, and generosity. She was compassionate and kind. She poured all of her energy into friends, family, home, and her church. I will always remember her easy laugh, her quick smile, and her goodness. I hope I can be more like her as I step into my golden years, and I am truly thankful for all the time we shared. The world has lost a good spirit, and a gentle soul.*
