“ *Just learned of Billy's passing. I remember him from the early 80's dancing away at the VFW in Springdale. Bettye Ross and I were reminiscing of those fun VFW days, where our husbands played in the band. Have not seen Billy since then but have fond memories of those days that bring a smile. So very sorry to his family at this sad time.*

“ Bill and I worked together at Tyson. He a feed truck driver, me a wrecker driver . The few times I had to go get Bill I knew I had my work cut out for us because what ever it was I knew I had good help with a smile and laugh 😊. When we would have a bad wreck of any kind , Bill was there to help!!! If it was a feed truck, just get outta the way he had this . Bill was so good to me helping me get my farm going in Tontitown. The world was a much better place with Billy B in it
