“ Billy,

Even though we lost touch after I moved from SHS I never forgot you. I always remembered how kind you were and how you loved to tease. Every year that I can remember we always ended up in the same class all through elementary and then several classes together at SWJH then again at SHS.

I hate that you had to leave us so soon and I know that you are now free of pain and knowing that makes it easier to say goodbye to you and knowing that we well meet up again one day.

I'll keep your family in my prayers during this difficult time for them..
