“ *Billy Joe was such a kind and caring person. He gave so much to his children and grandchildren, I share so many memories with him and the family, including beach houses in Florida, dinners in Jacksonville and getting to see him in Springdale. He lived a life most of us can only aspire to. He was shy and quiet, but his love was always communicated in his own special way. Love you and miss you. Lisa Kessler*

“ Aunt Carolyn, Cheryl and Donna, my favorite memories of Uncle Bill are the ones I associate with the house along Swope Park Boulevard where you used to live. Watching college football games there stands out in my memory. May the good Lord comfort all of you and surround you with His presence at this difficult time. We will be praying for all of you up here in Olathe. Hang in there!!!

“ Billy Joe loved his children, loved to get down on the floor to play with them I'm sure he loved his grandchildren just as much. Distances separated our families, but I always enjoyed our conversations. Condolences to Cheryl and Donna from Aunt Margaret.
