“ *We are so very sorry for your loss of Billy. We just recently saw him here in Wellford, SC. We are the niece and nephew of Mary Frances Liggett and had the pleasure of meeting and becoming friends of Billy. He meant the world to Mary Frances as he recently supported her through an illness. Just know he was always a pleasure to be around and we will always remember his kind heart and his passion for life.*

Rest in peace our dear friend Billy, you will always be remembered!

“ *Please know that we thought so much of Billy. We came to know him through my sister, Mary Frances Liggett. He was such a great soul and angel to Mary and now he continues to be her angel in her home. We came to love him so quickly. This family will miss him deeply. You are in our prayers.*

“ Bill & Family, I am so sorry for your loss. Billy was a wonderful Son, and a great friend. He will be missed, but it must be some comfort that he is with his Mom. I know they are both smiling down upon us. I pray that you have the strength you need and peace will follow. Love to all you, Susan White

“ Billy was a friend, and great people person! His work at Tyson was a reward to all whom worked with him, I was very thankful to have his help with the Hispanic folks. I know he even went to the Labor room with a friend so nurses could communicate thru delivery! He will be missed and one who God certainly put here to help others!
