“ Words fall short of expressing our sorrow. We have known Blake for many years. He was always a great friend. You could call if you needed advice and he would give you the best. You could call ask for help, and he would be there. Blake was a hard working man and proud of what he had. He will truly be missed. Shelby, God will definitely show you the way to smiling again. I know this experience will change you forever. Just remember all the good times you shared with your father and all the love he gave you throughout the years. He is not gone. He will live in your heart forever. Traci, it has been a very tough year for both of you. We hope you know that life has not ended for you, it has just changed. We know you are in amazing hands with your family. We hope we can also offer our love and support to you at this difficult time. We are truly sorry for your loss.

Our Hearts, Love and Condolences,
