“ I hit the jackpot when I got to be this amazing lady’s law clerk. She blew in like a storm on my first day on the job full of colorful language, flipping through court files, pulling on pantyhose and digging through several pairs of heels under her desk because “we” had to be in court in 20 min. I was scared and captivated. She acted surprised & pleased when I came back the second day. We became such good friends. She taught me so much. She didn’t hesitate to let me play a bigger role in cases and pushed me to get Rule XV certified. I worked more hours than what I was getting paid because I wanted to be with her and was learning so much. She was such a quick wit and had the best laugh. One of my favorite memories- I told her I was actually leaving on time because I was going to the Washington County Fair. She insisted on coming with me in full suit skirt and heels - of course her favorite part was the animals. I thought we would never leave the barns. She was wicked smart and had a heart of gold. Rest In Peace sweet Blythe.

“ *I have many childhood memories with Blythe that will forever make me smile! She was a beautiful person with an amazing heart! She always could make you smile and her laughter was contagious! One of my favorite memories was when we would go to the movies with Blythe. She would always sing the theme song for the Lowes theater in perfect harmony and enthusiasm! It always made me smile and laugh.*

“ Blythe was a special light. I worked with her at Walmart. I did not see her very much in the last few years but when i did she had a hug and kind word for me. Always very pleasant. I will miss those special moments in my life.
