“ *MEMORIES.....WOW,there are a lot of them from the 50's ! The first time we met we almost got in a fight,instead I became fast friends with this smart mouth kid from Oklahoma never had any disagreements until he caught me sneaking out his 32 ford roaster driving it up and down the alley learning to drive. The last time I seen him he drug out the 22 single shot Winchester we each laid away he was still as proud of it as the day we got'em out of layaway ! After that there wasn't squirrel or rabbit safe.....that guy could pop a squirrel out of a tree when there wasn't one there !! I remember the day he left for the Navy and his first furlough he bought a 50 black Plymouth and talked my mom in letting me go with him to Prague,Ok. to visit relatives.....the night we were on our way home I fell asleep & the next morning we were in a field and he was asleep at the wheel !! I will miss knowing that he's only a phone call away, I'm proud to say we were friends until the end.....he's the first of our old north end gang to leave, Leon Hadley,Phillip Reed,Major King,Larry Winegardner & James Saville ! Joann,Shelly & Rene', our thoughts and prayers are with you,may the light of the Lord shine on your faces during this time of sorrow.*
