“ *I can remember the night I wandered into your parent's kitchen a few years ago to welcome them to the neighborhood. Your dad immediately was talking and cracking jokes. When I left, he just "Black Forest". I asked what he meant. He said Black Forest cake is my favorite in case you were wondering. He was a precious man and I will miss him tremendously. I know you all will miss him so much more! What a wonderful man to have had in your lives!*

I was stationed at Blytheville AFB with Bobby in early 60's. I remember him well as we were from close by towns, me from Branson and Bobby from the Green Forrest area. I was the clerk for the Air Police and I remember Bobby being a very good Air Policeman. Long time ago. I never saw him again, but have always remember him. Every time I have met someone named Gage from N. W. Arkansas I would ask if they knew Bobby, but was never able to make contact. I also spent 26 years in the Air Force.

Please accept my sincere condolences in your loss, I remember him being a fine man.

Bob and Peg Gage are two of the finest people EVER. When Jim married Judy we got these troupes too. They were always right beside us when we had grief or difficulties. May God bless all of you at this time. Reta, Neita, Judy
