“ *I worked with Bobby at JBH. I really enjoyed getting to know Bobby. What a great friend and person. Bobby was always happy to help and always had a positive attitude. My prayers go out to Bobby and family.*

“ *Bobby was one of my best friends growing up. His family and my family would get together and we all had a great time. Bobby was a very positive, upbeat, loved everybody he saw kind of guy. His family and my family would get together and visit. Bob and Eleanor were great people. Bob was tough in the outside but tender in the inside. Bobby's Mom (Eleanor) was one of the sweetest, non judgmental, loving, hospitable loving ladies that I ever met. She loved and treated me like I was her son when I would spend time at Bobby's home. It's with sadness that yet another one of my best childhood friends has passed away. We had a lot of fun times. Praying for the family*

“ *My husband Frank played softball with Bobby and against Bobby. He was always the same guy in either situation . Always had a smile and I never heard him say anything bad about anyone. He kept the wives and girlfriends always laughing and he would make you feel like a million dollars. Bobby, you will be missed.*

“ Looking back I believe Bobby had been a friend to my brother Roland “Rozy” for around 40 years. I almost can’t remember a time when “Julio” wasn’t a part of the family. I enjoyed each visit we had, always greeted with that big ole smile, a huge hug and afterwards he always said love you Suzy. We lost Roland in August and now Bobby, I can’t help but smile when I think of those two together again....Love you Bobby.

“ I didn't get to know Bobby Lee very well ,but my Dad (Larry Lynch) would always ask if I saw Bobby Lee at JBH, and I did run into him a time or two. Bobby messaged me at work, a few days after my Dad had passed to see how my Mom and I were doing. I'll always remember that. He was a very kind hearted man and I'm so sorry for your loss. You all will be in my thoughts and prayers,
