“ Bobby's dad and my dad were brothers. We grew up together and spent a lot of stormy night's at our house. When it stormed Uncle Jess was terrified and seemed to want to be with Daddy. Anyway, being very young then, that's what it seemed like to me. Bobby and I lived many miles apart and haven't bee in contact since we were young but I still love him as much as then. I'd like to have spent more time with him during our lives. He will be missed. We will meet again and spend eternity together.
