“ *My name is Luanne Slack Jensen. I am a cousin of Bonnie. When we were very little kids we got together at grandpa and grandma Slacks. I have a large family picture of the family with all of the grandkids sitting on the floor. Because Bonnie's family lived in Arkansas we lost track. My condolences go out to Steve and Bonnie's children. I loved my Slack family cousins. My prayers go out to you all.

“ I will always love my Bonnie Blue eyes. I worked with Bonnie off and on since 1998, she was not just a work friend but a life friend. She was always witty and quick with a good joke, very smart and worked very hard. Devoted not just to her family but to all those around her. She is gone much too young and will be missed by so many friends and family. Such a fine example of living the Golden Rule! One of those souls with a big heart that put others first. Bonnie was dedicated to serving those sick and hurting for many decades. One of the best Medical Technologist ever!
She will always be a part of my heart. RIP my precious beautiful friend.
My very deepest condolences to her family.

I worked with Bonnie some 30 years ago for 5 years. I went through a very critical time in my life during that time. Bonnie was a mentor and encourager to me. After years between, I found myself working with her once again. She said, "Welcome home." I thought that was the sweetest thing ever. She has been the sunshine in my day these last few months. It was as if all those years fell away. She was one of the "good ones", a ray of sunshine to those around her. I loved her dearly. My heart breaks, I will miss her... and the good times I'd hoped for... terribly. She was aptly named, for she indeed was a Bonnie lass!! My heart goes out to her children. May they find peace in the good memories. <3

“ I was saddened to hear of your loss. Bonnie was a lovely person and was always great to catch up with her and her family when passing through Springdale. I feel bad that my travels haven't been to Arkansas recently. She was always there for her Mom and Dad. I remember seeing her in Cedar City when she came out with her Dad. I want to share with her kids my sincere condolences for their loss at this time.

My prayers and love to the family. Bonnie and I were friends in high school. I was extremely saddened to hear of her passing. She was a brilliant light in this world. Even as a young woman, she was a caring and compassionate individual. I have very fond memories of her, her laughter and positive spirit. We lost touch after high school, but I remember her with great fondness. Blessings and prayers to your family. Bonnie, may you soar with the angels. Much Love.
