“ *Bonnie was known to me as Nanny. She was the best grandma I could have asked for. She taught me prayers, the pledge of allegiance and so much more when we laid in bed after she got off work at the Glad plant. She used to move the bed by the window when it rained and she'd open it up so we could hear. She loved fishing and taught me how to know how to get my line in and when to snag the fish. My best memories are out at the lake with my Nanny. I spent her last weeks with her and I will cherish every second I was able to soak up with her. There will never be another one like her. Love you Nanny ❤️ You'll always be in my heart.*
