“ *David, I am so sorry to hear about your loss. Even though she has been ill, I know that we are never really ready to let our moms go. I have been gone a long time but everyone says that you have been a wonderful son. May that give you a little comfort. I will pray for you.*

“ *Just wanted you to know how much I appreciated Wayne and Bonnie for the opportunity and support they gave me when they sold the flower shop to me 26 years ago. If it hadn't been for them, I would not be where I am today. I'll always be grateful to them.*

“ Dear David and family, I am very sad to hear of the loss of your mother. Its got to be one of the toughest partings to endure in our walk through this life. She was obviously thought of with respect and great fondness. My mother remembers her with that same fondness. She tells me that your mother was her Home Ec teacher in high school despite being just four years apart. She liked her quite a lot. Our prayers are with you and your family through This difficult time.

“ *Susan, Gil, and David--*

You, Gil, and David took such good care of your mom, and it is evident how much you loved her and how much she loved you, as well. May your many memories of her be precious--going across your back yard to visit, going on shopping trips to Branson, and just being there for her. There is much comfort in knowing that your mother is no longer in pain and that she is where we all want to be--in Heaven. Jack and I extend our deepest sympathies for your loss--she was a friend, confidante, and mentor like no other. May God surround you with His love. Love Jack and Lana
