“ I am so sorry to hear this. I knew she had been sick of late and had been following her posts. Although we never met face 2 face, we shared people in common and the town Bixby OK. Sending your family love and warm thoughts and hugs to wonderful Silis. I loved seeing what they were up too. Kim Johnson.

“ So sorry for your loss. I hadn't seen her in years but we did visit some on Facebook. I knew her health was bad but I didn't realize how bad. She was much, much too young to die. God's peace go with you.

Bonnie was my classmate at Bixby. We reconnected on the internet after all these years. I will miss chatting with her. I hope someone takes good care of Silis.
