“ *So sorry to hear about Bonnie. Didn't really know her well except that she was Georges wife and always nice. I go back to the day when we called him Georgie, and my Mother (Irma) always did until the day she died. Old habits are hard to break. My prayers are with her and all her family. May she rest in God's peace. Bernice McCauley*

“ warm thoughts for my cousins and Aunt Bonnie...she could be a hoot!

we would pile into the blue ford and go to K-Mart on Friday nights...we (the kids) would prow and go crazy. she never got onto us. once she missed the exit heading north toward the mall and we had a huge laugh.

I don't know how long she worked at Georges but I always admired her for working.

I also remember the steel tumblers she'd serve Kool-Aid in...the way they would sweat and the rims sort of bent...hanging out in the den with the swamp cooler or evaporator cooler from the well water made it cold as heck in the den.

*Remember that electric fireplace she bought from Montgomery Wards or Sears? She was ahead of her time.
all the best/rest in peace

“ Mom will always be with me because she will live on in my heart and soul. Deaths are always sad but mom is getting us all together to celebrate her life and family and friends. I look forward to knowing she will be looking in on us from the great heaven above with god by her side she will not longer be in pain and suffering but only peace and happiness.
