“ I wrote this a couple of years ago and Brandi loved it. Brenda & Melissa I would like to leave this in memory of sweet Brandi and I pray that God watches over you as you lay a beautiful Angel to rest. I Am Still Alive.

Just because you can't see me does not mean I am not there.

Just because I'm in heaven doesn't mean that I don't care.

I often see you crying .

You often call my name.

I want to hold you tight and ease your pain.

It's easy for me as I know heaven is real.

If you knew the truth oh how much better you would feel.

One day we will meet again but only when the time is right.

When you step out of the darkness I'll be standing in the light.

(Until I see you again my sweet friend love Angie)
