“ *David and Gina,*
I wanted to send my sympathy to you during this very difficult time. It has been many years since we've seen each other, but when I saw Brandy's picture, that beautiful smile brought back so many sweet memories of her when she was in my class. She was a beautiful young woman and I know her sweet spirit will live on in her children. I am sorry I missed the service--I didn't know in time. My thoughts and prayers are with your entire family.

“ *Please Accept My Condolences,*
I know not much can be said to take away the pain you must be feeling. I hope that you find comfort in Jesus promise to resurrect those in the memorial tombs and to give them back to the ones who love them, just like he did with Lazarus.
So until that time comes, pour your heart out in prayer, for he is near to those broken at heart;Psalm 34:18.
Sincerely,
Angie
