“ *Which memory...we lived down the street when she was on 13th. We hung out ALL the time. She was my first room mate in Lowell...boy did we have fun there. Dixon street knew us well. We shared so many laughs and tears. That lil orange Fiat was a BLAST! Stevie Nicks concert in Tulsa...we forgot the tickets and had to go back from Siloam to get them...played in McDonald's playground on the way....crazy fun times. I hope she remembered those times and they made her smile! Smiling myself right now. Will see her again some day and I pray for God's Peace for her family.*

“ *Brenda was a sweetheart! We used to go hang out at the lake. I have thought of her often. The last time I saw Brenda she told me she had a son. And named him Christopher Michael, my oldest son's name, she was so happy. She is with our Savior now smiling down on all-:)).*

“ *Brenda was a very special friend when we were younger. She made a trip to Searcy when Freedom was just a baby. When I moved back to Rogers we ran into each other again. Had a good time! And then again lost track of each other again. My deepest regret is that we didn't stay in-touch. Brenda, you will be missed but we will see each other.*

And to your family, My thoughts & prayers are for you all.

Love,
