

## Bret Law

October 25, 1970 - June 18, 2025

Bret Law, 54, of Lowell, Arkansas, passed away in the early hours of June 18th, 2025. Bret was born October 25th, 1970, in National City, California to David and Marlys. He lived in Aztec, New Mexico most of his life. He attended both Aztec and Bloomfield High Schools. After graduating in 1988, Bret continued his education in Phoenix, Arizona at the Phoenix Institute of Technology, achieving an associates degree in electronic technology.

In 2000, Bret and his former wife Audra welcomed their only child, Amber, who they continued to coparent amicably even after their marriage ended.

Bret was known as a dedicated and passionate worker, who owned a successful trucking business and moved on to manufacturing later in life. He was an avid gardener, with a special interest in bonsai. Bret was a classic car enthusiast; his favorite was the Datsun 240z. He enjoyed tinkering with electronics, working on his own car, cooking, and spending time with family.

Bret never met a stranger. He had a big heart, and made an effort to welcome every person and animal he came across. He was loved by many people – coworkers, neighbors, friends, and family – all over the world.

Bret is survived by his daughter Amber and her fiancé, Eric; his brothers, Bart (husband of Penny) and Cameron (fiancé to Christina); his former wife Audra;

nieces and nephews, Desirey, Justin, Tisha, Nickalos, and W.C.; and many aunts, uncles, cousins, and friends as well.

He is preceded in death by his mother Marlys; his "Pops" Dale; and his father David.

In lieu of a memorial service, the family has chosen to celebrate Bret's life privately.
