“ *Steve and Betty, my heart broke for you both when I saw a reference on facebook about Todd. I did not know him as well as I did Brad and Stevie but I know you and I know the toll that losing a child can have on you as the parents. I can't even begin to imagine having to go through this a second time. I can't even think of words that fit this occasion except to say that it just doesn't seem fair. I think so much of your family and will forever feel grateful that I have had the opportunity to know you. I hope you can find comfort in knowing what a difference you have made in so many lives.*

*Sincerely, Judy Hobson and family*
