“ *Our sympathy to you, Ute, and family. We have fond memories of Bromo when we lived in Arkansas and were in the same Sunday School class at Ist Baptist in Springdale. We remember Bromo starting the class with a joke and ending the class with a joke. He had a great outlook on life and he will be missed by all who knew him.*

“ *I thought of Billy Bromo today just suddenly and put his name in to Google and found that his service was today. I did not know where he lived. We were in the youth group at First Baptist in Camden. Good to see that he had been an active part of his town and church. My thoughts are with you, his family.*

“ *Thinking of you all in this time of sadness. To my dear old friend Judy, I am so sorry for your loss. When I think back to our days as kids, spending time at your house, I always think of how he made us girls laugh.*

“ Our condolences to the family. Bromo was a part of the good times when we lived in Springdale. He could lift your spirits when you were down, make you giggle over little things, see the bright side of your job. He brought joy to all who knew him, and now he is bringing smiles to the faces of the angels.

“ Mr. Wilson was a wonderful part of my childhood memories. His laughter, his smile and his warm embraces will long be remembered. Your family always welcomed all of us into your home whenever we just "hung" around. He never seemed to mind and he always, always had a laugh and a smile for me. Those memories shall linger long after the laughter is gone. GOD bless you and yours and thank you for sharing with me so many years ago.

“ *Bromo will be missed. He was a big part of the Kiwanis club for many years. It's hard to imagine the number of Springdale youth Bromo had a hand in helping. I thought and prayers are with the family.*
