“ *I grew up next door to Candy. She was a good friend. We played doctor a lot and school. She always got to be the teacher. I only have good memories, we never had a cross word. I remember her dream of being a nurse, she knew at a young age that she wanted to be a nurse! I tagged along with her to church many times. I remember on one occasion when she sang Lilly of the Valley. I loved it, and as a child I was in awe of her bravery to sing in front of the church. I was so shy. The two pictures are: from graduation (Donna Lampe with her), and she was sitting on the hood of my daddy's station wagon. Wish I could've said goodbye.*

“ I am so blessed that I am able to call her my mother. She was the sweetest and most loving person I know. I only hope that I can be half the woman that she was. She was so special and loved by so many people. I don't have enough words to say how much I'm going to miss her. I am thankful for all of the memereies that I have of her. She taught me so many things. One memory to share is that even though she didn't feel the greatest she worked so hard to make sure that my wedding day went smooth. She helped prepare the food table and even helped clean up after everyone had left. She was wonderful. Thank you everyone for the kind words and prayer.

I was your mothers neighbor. I just found out about her passing. She was a dear friend growing up. We went to church together. She was the sweetest person. Wish I could have been there.

“ I was blessed to work with Candy at Old Wire. No matter how bad she felt, she always took the time to show our students that she loved them. She enjoyed each unique personality. She was a light for all of us.

Candy was such a dear friend and although we have not seen each other for several years, looking back at the photos it seems like just yesterday. I pray you feel the arms of God wrap around you during this difficult time and feel peace in your heart only he can bring.

“ Candy was a beautiful woman who gave her all in all to her family! She loved her animals as if they were her children! I am blessed to have been able to know her through her daughter, Chrystal! I have some very cherished memories over the years, but my favorite is a time when Chrystal received a voicemail from her Mom accidentally when she was talking to her cat... She was out of kitty food so she fed him tuna! Just another example of the kindness that Candy showed on a daily basis! She will be greatly missed, but she is in heaven dancing with Jesus and singing with the angels!
