“ *Co-worker, mentor and long time pal. On the first day of my apprentice training in 1974 I was assigned to work with Carl. Great tradesman and " semi-great" story teller. We've had many good times throughout the years following our first encounter. The only person with a preference for Utica Club I've ever met! He will truly be missed.

“ Dear Kay and Family,  
We our so sad to hear of your loss of Carl. We always enjoyed all his stories when we walked with him and Cooper at Turning Point Park. There was not a day that he didn't make us laugh. His love of life was evident through the stories he told. He had fun, loved his wife and kids, and talked about them often! Even after he moved, we texted back and forth and he still put a smile on our faces. He will be missed.

“ Dear Old Friend-Kay--  
"Yours" was a "Love Story"-you were to marry him-no matter what??  
So many happy years-you were blessed--  
I am sure your children and grandchildren will miss "Sweet Carl"-as this is how I remembered him--  
Go by the Biehl house every year and am reminded of many hours as a young girl in your home, your parents, and of course Lois- please send my LOVE to her--  
By-the-way-it looks pretty good-46 Main Street is the worst looking house on the street--  
May you have peace and reflect on all the happiness that you and Carl had--  
With Love--

“ *Dear Kay,  
Linda Davis Turri here. I was so shocked to see the passing of Carl in the Rochester paper this morning. I was very sad. I remember him as being very handsome, polite, funny and very witty. My husband is now 81 and I often wonder what God has in plan for him, me too. Stay healthy for your kids and grandkids to keep Carl's memory alive for them.*

*Dear Kay and all the Burgess family. Fond memories from many years ago with Carl with his humor and wit while serving in the Crescent Beach Fire Department along Lake Ontario. I was a young member then and Carl always made us laugh and enjoy the happy times while serving the community. Great memories for sure.*

“ *Kay and family, I'm so sorry for your loss. Carl was the best friend I ever had. We knew each other for 40 years. He used to introduce himself as Carl E. Burgess and the E stands for excellent mechanic. When he retired, he said the E stands for excitement! He truly was a good man. I will miss him dearly. Tom Heindl.*
